

Procedures governing exercising of voting rights by proxies

Shareholders may also have their voting rights exercised at the Annual General Meeting by voting proxies, for example the depositing bank, a shareholders' association or other persons of their choice.

Powers of attorney may be issued both before and during the Annual General Meeting and may also be issued prior to registration. Powers of attorney must nevertheless already have been issued by the time at which the voting procedure for the respective agenda item begins. When issuing powers of attorney, shareholders may forward the relevant declarations either to the party thereby authorised or to the company. The relevant registration requirements nevertheless continue to apply. Should the shareholder authorise more than one person, then the company may reject one or several such persons.

The company provides its shareholders with the option of authorising voting proxies appointed by the company and obliged to vote in line with shareholders' instructions. The voting proxies exercise voting rights exclusively on the basis of the instructions issued by shareholders. The voting proxies appointed by the company must be provided with explicit and clear instructions concerning the exercising of voting rights. Should no instructions or insufficiently clear instructions be provided for individual agenda items due to be decided by voting, the voting proxies appointed by the company will not be authorised to exercise voting rights for such agenda item and will abstain should the item be put to the vote. Please note that the voting proxies cannot accept any instructions to make statements, pose questions or propose motions.

Powers of attorney, their revocation and documentary evidence of such authorisation must all be provided in writing. Shareholders wishing to communicate statements to the company concerning the issuing of powers of attorney or the revocation of such or to submit documentary evidence of any power of attorney issued to an authorised party or the revocation of such should forward these to the following address:

Hauptversammlung MVV Energie AG
c/o Computershare Operations Center
80249 Munich
F +49 89 30903-74675
anmeldestelle@computershare.de

The form forwarded together with the invitation can be used to issue powers of attorney and to issue instructions to voting proxies appointed by the company.

Alternatively, such statements may also be communicated electronically using the shareholder portal on the company's website at

www.mvv.de/investors.

The access data and further relevant information concerning the use of the portal have been forwarded to shareholders together with the invitation. Please note that the shareholder portal may only be used to issue or revoke powers of attorney to the voting proxies appointed by the company, or to issue or amend instructions, until **midnight on Thursday, 12 March 2020**.

Powers of attorney issued to a voting proxy appointed by the company may also be revoked without any specific formal requirements, and in particular by the issuer of such power of attorney attending the meeting in person.

Intermediaries, shareholders' associations, voting rights advisors or other persons stipulated in § 135 (8) AktG may have different requirements for the acceptance of powers of attorney issued by shareholders. Shareholders are requested to contact the person or institution involved in any of the aforementioned cases in good time to agree any form of power of attorney possibly required by such person or institution.
