Our ref: **EPR/WP3833FT/V002**

Date: **4<sup>th</sup> March 2014**

Dear Sir or Madam,

**Issue of Environment Agency initiated variation of your permit**

Permit reference: **EPR/WP3833FT/V002**

Applicant: **MVV Environment Devonport Limited**

Facility: **Devonport Energy from Waste CHP, North Yard, Devonport Dockyard, Plymouth, Devon, PL5**

We've decided to vary your permit to reflect the implementation of the Industrial Emissions Directive into Schedule 1 of the Environmental Permitting Regulations 2010. The amendments made to Schedule 1 have changed the reference list of activities in the Regulations. Thus, this variation updates the activities authorised by your permit to this revised list. The variation makes no other changes to other aspects of the permit.

We're satisfied that operations can continue in accordance with the variation without harm to the environment or human health. The variation takes effect from today. I enclose a notice showing the changes we've made. Please keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these phone our Customer Contact Centre for help.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this on our guidance web page <http://www.environment-agency.gov.uk/business/topics/permitting/32320.aspx>

Please look at the table below and note any of the information or actions that apply to your permit.

If...	then..
the variation means you are now carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements <b>Note</b> This does not apply to permits that only have stand alone water discharge or groundwater activities.	you can get the forms you need from our website <a href="http://www.environment-agency.gov.uk/business/topics/waste/32176.aspx">http://www.environment-agency.gov.uk/business/topics/waste/32176.aspx</a> If you do not have web access phone our Customer Contact Centre
you need to submit other returns	send these to your area office. Speak to your area officer to check local arrangements.
your variation has added an installation to your permit for the first time	we've enclosed the pollution inventory letter, notice and fact sheet

## Rights of appeal

If you are not happy with any permit condition that has been imposed by the variation you may appeal to the Secretary of State. You must make your appeal no later than two months after the date of the notice.

Further information about making an appeal and the forms you will need are available from the Planning Inspectorate website or from the contact details below:

The Planning Inspectorate, Environment Appeals, Room 3/25 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Phone: 0117 3728726

Email: [environment.appeals@pins.gsi.gov.uk](mailto:environment.appeals@pins.gsi.gov.uk)

You must send written notice of the appeal and the documents listed below to the Secretary of State to the Planning Inspectorate address above. At the same time you must send us a copy of the notice and documents to

**Victoria Balmer, Appeals Coordinator, Environment Agency, National Permitting Service, Knutsford Road, Latchford, Warrington, WA4 1HG.**

**Phone: 01925 542456**

**Email : [victoria.balmer@environment-agency.gov.uk](mailto:victoria.balmer@environment-agency.gov.uk)**

The documents are:

- a statement of the grounds of appeal;
- a copy of any relevant application;
- a copy of any relevant environmental permit;
- a copy of any relevant correspondence between the appellant and the regulator;
- a copy of any decision or notice which is the subject matter of the appeal; and
- a statement indicating whether you wish the appeal to be in the form of a hearing or dealt with by way of written representations.

You may withdraw an appeal by notifying the Secretary of State in writing and sending a copy of that notification to us.

If you have any questions about this permit please phone our Customer Contact Centre on 03708 506 506. They will put you in touch with a local area officer.

Yours faithfully,

Joel Robson  
Permit Support Advisor

# Notice of variation with introductory note

Environmental Permitting (England & Wales) Regulations 2010

# Devonport Energy from Waste CHP

## Permit number EPR/WP3833FT

### Introductory note

#### This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

Schedule 1 to the Environmental Permitting Regulations has been updated by the Environmental Permitting (England and Wales) (Amendment) Regulations 2013 to reflect the implementation of the Industrial Emissions Directive into England and Wales. This variation implements the changes made to Schedule 1 of the Regulations into Table S1.1 of the permit. Table S1.1 specifies the activities authorised by the permit.

The schedules to this variation specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Authorised on behalf of the Environment Agency

## Schedule 1 – conditions to be deleted

None

## Schedule 2 – conditions to be amended

The following conditions are amended as detailed, following an Environment Agency initiated variation

- Table S1.1 is amended to reflect the changes to Schedule 1 of the Environmental Permitting Regulations introduced by the Industrial Emissions Directive. The table now reads:

**Table S1.1 activities**

<b>Activity listed in Schedule 1 of the EP Regulations</b>	<b>Description of specified activity and WFD Annex I and II operations</b>	<b>Limits of specified activity and waste types</b>
S5.1 A1 (b)	The incineration of non-hazardous waste in an incineration plant with a capacity of 1 tonne per hour or more.	From receipt of waste to emission of exhaust gas and disposal of waste arising. Waste types and quantities as specified in Table S2.2 of this permit.
<b>Directly Associated Activity</b>		
Operation of Baling Equipment	Baling of waste for on site storage.	Limited to periods when the incineration plant is not operational. Such waste to be retained indoors on site.
Electricity Generation	Generation of electrical power using a steam turbine from energy recovered from the flue gases.	
Steam supply system	Supply of steam to neighbouring commercial clients.	Steam supply, condensate collection, water treatment (equipment and pipework within the installation boundary).
Back up diesel generator	For providing emergency electrical power to the plant in the event of supply interruption and for power to the emergency fire fighting systems.	

## Schedule 3 – conditions to be added

None
