

# Your chance to have your say

MVV Environment Devonport Ltd – Proposing Waste Solutions for South West Devon Waste Partnership

Thank you for taking the time to read through our plan for an Energy from Waste plant at North Yard, Devonport to treat South West Devon's residual waste. Now you have considered the scheme, please let us have your views. We want as many people as possible to express their comments. You can put the form in the box provided or send it to the address below. We will review all comments.

You can submit your views...
