

# Your job with a clear goal: #climatepositive

MVV Environment Limited is a wholly-owned subsidiary of MVV Umwelt GmbH and MVV Energie AG, which have more than 50 years of experience in operating high efficiency waste disposal and energy generation plants. Our Group is one of the market leaders in the generation of energy from waste. In the UK we currently operate Energy from Waste facilities in Plymouth and Dundee and a Biomass facility at Ridham Dock (Kent).

## Maintenance Manager

Dundee

Full-time (40 hours per week)

### The Package:

Competitive salary, bonus and benefits.

### The Role:

- Leading, coaching, and developing a team of multi-skilled technicians
- Ensuring all plant and equipment is maintained to the highest standards
- Planning, resourcing, and executing plant outages, ensuring safety, efficiency, and timely return to service
- Overseeing the full maintenance procurement process, from tendering to contractor selection
- Managing departmental budgets, tracking expenditure, and contributing to long term financial planning
- Maintaining oversight of stock and stores
- Developing and implementing out of hours maintenance cover to ensure 24/7 plant resilience
- Ensuring compliance with statutory requirements, company policies, and ISO standards (ISO 50001, 9001, 14001, and 45001)

### The Person:

- Degree or HND in an engineering discipline
- Health and Safety qualification (e.g. NEBOSH or equivalent)
- Experience in a comparable role
- Proficient in CMMS
- Experience with rotating plant, steam boilers, and balance of plant equipment
- Knowledge of environmental permitting, health and safety legislation, and safe systems of work
- Demonstrable experience of managing budgets and procurement
- Excellent communication, leadership and stakeholder management skills
- Able to engage effectively with internal teams, contractors, and regulators
