

energetic Networker

MVV Umwelt GmbH, a wholly-owned subsidiary of MVV Energie AG, has more than 50 years of experience in operating decentralised waste disposal and energy generation plants. Our Group is one of the market leaders in the generation of energy from waste. In the UK we currently operate Energy from Waste Plants in Plymouth and Dundee and a Biomass Facility at Ridham Dock (Kent). We are actively looking to expand our portfolio of facilities in the UK by developing new projects and are now looking for a Planning Manager to work with the Head of Planning. The main focus of the role will be to help ensure that the current facilities comply with relevant planning and permitting regulations and to assist in the identification of new facilities.

Please send your application to recruitment@mvvuk.co.uk

The closing date for applications is Friday, 26th July 2019
